

## **Information on GMI Science Team Meeting in Boulder, CO, November 17–19, 2004**

The next GMI Science Team meeting will be convened in Boulder, CO, November 17–19, 2004. Discussions on the final day, Friday, November 19, will end at noon. The location will facilitate GMI's interaction with CCSM/CAM and WCAM scientists regarding their chemistry-climate modeling efforts. We will have presentations from NCAR and GMI people.
